# CrefoCert

Creditreform Berlin  
Wolfram KG herewith awards

**Dilax Intelcom  
GmbH**

CrefoNo 2010212448

the

**CrefoCert Solvency Certificate**

The audit established that the company has a good solvency structure and fulfilled all the certification criteria:

- Solvency Index < 250
- Balance sheet rating < CR 9
- Successful Interrogation of the management: no material solvency risks identifiable

Given universal fulfillment of the criteria, this certificate is valid for one year.

The current status can be verified at [www.creditreform.de/crefozert](http://www.creditreform.de/crefozert).
